Mex. Pat. appln. No. 192468/ corres.
to U.S. Serial No. 258,872 - Your Ref:
CH 1175 COOMBE - Our Case 363-P

Attention: Mr. Theodore C. Gregory ✓

Dear Mr. Gregory:

Reference to our letter of May 17, 1983, requesting your authorization to apply for the novelty examination of the subject application, in order to comply with the provisions of Article 20 of the law of Inventions and Trademarks and informing you that the deadline to such effect would expire on July 27, 1983.

Not having received any word from you in this connection and consistent to our practice of keeping all applications alive in the absence of instructions, we filed before the Mexican Patent Office the required examination request, in order to avoid the official abandonment of this case.

Please find herewith enclosed a copy of the corresponding examination request for completing your files, as well as our debit note which covers the official fees and our charges in the matter.

We expect that our course of action will meet with your approval and with kindest regards, we remain,

Very truly yours,

UHTHOFF, GOMEZ VEGA & UHTHOFF, S.C.
