

SUT00140007

J10(344)
Ser 344-619

29 MAY 1958

From: Chief, Bureau of Ships
To: Commander, Boston Naval Shipyard

Subj: Asbestos metallic, synthetic rubber covered gaskets; sources
of supply of

Ref: (a) NAVSHIPYD BSN spdltr 532 PH:bd 111-L-80393-58 of 21 May 1958
(b) MIL SPEC MIL-G-17927

1. Reference (a) requested information on the sources of supply of
reference (b) material. Asbestos metallic rubber covered gaskets
conforming to reference (b) requirements may be obtained from Johns-
Manville, gasket No. MJ-2511. It is suggested that the Shipyard
contact the local office of this company at 100 Newbury Street in
Boston.

2. Other possible but unconfirmed sources of supply of reference (b)
gaskets are as follows:

- a. The Garlock Packing Company, Palmyra, New York
- b. Raybestos-Manhattan, Packing Division, Passaic, New Jersey
