REDIRECT EXAMINATION

BY MR. PYLE:

Q. Doctor, those of the membership lists that are contained in Exhibit No. 2 that you say were pieced together for each year for which membership is listed, as I pull out the top sheet for 1937, that is not what you meant having been pieced together from other documents, is it?

A. No.

Q. You mean the whole compilation?

A. Yes.

Q. So that each one year that is indicated was taken from a single source?

A. That is correct, and it is accurate. Each of those is accurate.

Q. When you just responded to one of Mr. Gushard's questions that some of this may not be accurate or complete, were you indicating that it was because there were some years missing?

A. That is correct. From 1936 through 1934 it may not be 100 percent accurate.

Q. If there is an indication, such as the
