Casualty & Surety Company, 62 OAK 7422

Gentlemen:

I am this day requesting the joinder of parties whose names appear on the attached petition. I am at this time requesting the Inspection Rating Bureau to provide the names of the workmen's compensation carriers for each of the employers named. When the list is compiled, joinder of the carriers will be asked.

To prevent the running of the statute of limitations, I also request that the Commission join Does One through Seventy-five. Further, I ask that the application be amended on its face to allege the injury was received by exposure to harmful dusts; also, that the application allege injury to the respiratory system.

Very truly yours,

Reconsideration was granted herein and the case returned the calendar for further hearing on the issue of proper parties defendant. A hearing was held and thereafter the parties filed proposed settlement agreement providing for a lump sum payment applicant in the sum of \$6,500.00, less attorneys' fees and costs and further providing that applicant shall assume unpaid and future medical and hospital expense. It is the opinion of the Workmen's Compensation Appeals Board that the Compromise and Release Agreement is adequate and in the best interests of the parties and therefore should be approved.

Applicant's attorneys have rendered services herein of the reasonable value of \$650.00 and have advanced litigation costs the sum of \$47.00 on behalf of applicant.

For the foregoing reasons,

OPINION
and
ORDER
(Approving Compromise
and Release)

APR 28 1966

Reconsideration was granted herein and the case returned to the calendar for further hearing on the issue of proper parties defendant. A hearing was held and thereafter the parties filed a proposed settlement agreement providing for a lump sum payment to applicant in the sum of \$6,500.00, less attorneys' fees and costs, and further providing that applicant shall assume unpaid and future medical and hospital expense. We find, from the record and the settlement agreement, that no part of the proposed settlement sum is attributable to temporary disability indemnity.

It is the opinion of the Workmen's Compensation Appeals Board that the Compromise and Release Agreement is adequate and in the best interests of the parties and therefore should be approved.

Applicant's attorneys have rendered services herein of the reasonable value of \$650.00 and have advanced litigation costs the sum of \$47.00 on behalf of applicant.

For the foregoing reasons,

IT IS ORDERED that the Compromise and Release Agreement filed herein on March 8, 1966, be, and the same hereby is, APPROVED, payable in the manner and by the named parties as follows:
