Dr. Leroy U. Gardner, Director
Saranac Laboratory
Saranac Lake, N.Y.

Dear Dr. Gardner:

I am advised that the aluminum mill shell and the 25 pounds of aluminum slugs will be shipped to you today. We are very glad to be able to furnish this material to you for use in your experiments on the effect of the inhalation of aluminum dust by silicotic patients. If we can be of further assistance in that connection, please call on us.

Very truly yours,
