RECENT ADVANCES IN EXPOSURE, HEALTH AND ENVIRONMENTAL EFFECTS STUDIES OF PCBs

— A 2-Day Symposium for Scientific Information Exchange —

May 12 and 13 (Wednesday and Thursday), 1982

Holiday Inn, 8120 Wisconsin Avenue, Bethesda, Maryland

ORGANIZED BY: ICAIR Systems Division, Life Systems, Inc.
Under contract to the U.S. Environmental Protection Agency, Office of Toxic Substances

TR-807-7

MONS 003320

OBJECTIVES:

1. To review, discuss and interpret PCBs scientific data published since 1978 and preliminary PCBs data from on-going work.
2. To provide for an exchange of views between scientists who are knowledgeable about exposure, health and environmental effects, and human health studies associated with PCBs.
3. To identify research gaps and areas of agreement and controversy.

Registration & Fee: Attendance is limited by conference room size to the first 400 registrants. Registration is on a first-come, first-served basis. Deadline for receipt of registrations is May 3, 1982.

Complete and return the attached registration form. Participants will be advised of their registration status by mail.

Register by phone if necessary — call (216) 464-3294. Ms. Jean Stanley will accept your reservation.

Registration fee ($85) is payable in advance; personal checks are acceptable. No cash or credit cards, please.

Accommodations: Must be arranged individually. A block of rooms is reserved at

The Holiday Inn
8120 Wisconsin Avenue
Bethesda, Maryland 20814
Telephone: (301) 652-2000

Make your reservations prior to May 5. Be sure to mention the PCBs SYMPOSIUM to qualify for the group rate.

Cancellations: Cancellations may be made up to May 10. No refunds will be made after that date.

Tax Deduction: An income tax deduction is allowed for expenses of education incurred to maintain or improve skills or to meet express requirements of an employer or a law. (Treasury Reg. 1.162.5)

PROGRAM

Chairperson: Dr. Otto Hutzinger
University of Amsterdam,
The Netherlands

Day 1
Wednesday
May 12, 1982

8:00 a.m. to
5:30 p.m.

Session 1: ANALYTICAL METHODOLOGIES*
Speaker: Dr. Edo Pellizzari
Research Triangle Institute
Discussion Leader:
Dr. Mary Wolff
Mount Sinai School of Medicine

Session 2: EXPOSURE STUDIES — Environmental Residues and Bioaccumulation*
Speakers: Dr. Brock Neely
Dow Chemical Company
Dr. Mary Jo Vodicnik
Medical College of Wisconsin
Discussion Leader:
Dr. Mark Melancon
Medical College of Wisconsin

LUNCHEON

Session 3: EXPOSURE STUDIES — Industrial Processes*
Speaker: Dr. Kent Hodges
Dow Chemical Company
Discussion Leader:
Dr. Robert Kaley
Monsanto Company

Session 4: HEALTH EFFECTS — Epidemiology*
Speaker: Dr. William Gaffey
Monsanto Company
Discussion Leader:
Dr. Renate Kimbrough
Center for Disease Control

Day 2
Thursday
May 13, 1982

8:00 a.m. to
4:15 p.m.

Session 5: HEALTH EFFECTS — Laboratory Studies*
Speakers: Dr. Seymour Friess
Drill, Friess, Hays, Loomis & Schaffer, Inc.
Dr. Stephen Safe
Texas A&M University
Discussion Leader:
Dr. Renate Kimbrough
Center for Disease Control

LUNCHEON

Session 6: ENVIRONMENTAL EFFECTS*
Speaker: Dr. Richard Hunter
U.S. Army Corps of Engineers
Discussion Leader:
Dr. Mark Melancon
Medical College of Wisconsin

Session 7: RISK ASSESSMENT*
Speaker: Dr. Robert James
Ecology and Environment, Inc.
Discussion Leader:
Dr. Roy Harbison
University of Arkansas

MONS 003321

*Each Session will conclude with a Discussion Period in which a Panel, composed of a Discussion Leader and Speaker(s), will answer questions and establish a dialogue with attendees.
