

August 5, 1969

5. Seattle, Washington

- a) Howard V. Belka vs. O-C Fiberglas -- Disability unknown.

Hearing before Industrial Insurance Board of Appeals on July 24, 1969. No report has been received.

- b) Marion W. Cooper (deceased) vs. O-C Fiberglas, et. al. -- Asbestosis.

Claim filed by widow. State has assigned 13% of the total award of \$19,500.00 or \$2,535.00 to O-CF for payment.

- c) Willis W. Moore -- Asbestosis. No change.

- d) Cecil B. Lockwood vs. O-CFiberglas, Atomic Energy Commission, and Blue Mountain Contractors Co.

Claimant has compensable asbestosis but is continuing to work. Therefore, no payments will be made by defendants until Mr. Lockwood is incapacitated. When full disability occurs (asbestosis is a progressive disease), the State has assigned the following pro-rated shares of the eventual award: Atomic Energy Commission, 62%; O-CFiberglas, 22%; Blue Mountain Contractors, 16%.

- e) William E. Tudor -- Asbestosis. No change.

6. Phoenix, Arizona

- a) Jack R. Chambers vs. O-CFiberglas.

Alleges temporary, total disability of toxic gastritis from inhalation of sulphuric acid fumes.

Award by State:

1. Medical expenses from Nov. 5, 1968, through November 16, 1968.
2. Disability award of \$40.12 to cover lost time.
