SUBJECT SHAC - 1977

REFERENCE

TO : Arnold Glass -- Texas City, Texas

Dear Arnold,

Just a note to say thanks for the terrific job which SHAC did last year. The performance of the Committee exceeded all of my expectations, which I must confess, were quite high. Each and every one of you (and particularly you as a continuing member of the Committee) should be proud of the fine safety cooperation achieved last year.

Thanks again, for the fine effort.

P. E. Brubaker
