PRIVATE

Messrs. W. P. Fuller & Co,
San Francisco, Calif.,

Gentlemen:

We acknowledge receipt of your private letter of the 9th and note what you say. Sample of the Oxide mentioned has been received.

FLORENCE GREEN SEAL ZINC OXIDE: 200
FLORENCE RED SEAL ZINC OXIDE: 200

We have placed L.A. order No. 1394 for 50 barrels Florence Green Seal Zinc oxide, and the balance of car to be filled with Red Seal. We understand the New Jersey Zinc Co. will allow us the carload contract price of 2 1/2 lb. f.o.b. Works, freight allowance not to exceed 50¢ per 100 lbs. They suggest if we intend ordering more of the Red Seal it would be a good plan to contract for a quantity. We understand they are sold ahead on this brand of oxide.

Very truly yours,
W. P. FULLER & CO.
