Old Business

1. Subject: Union asked about insulation at No. 2 line.

   Action: Insulation has been ordered from Kansas City. Has not yet arrived. Still plan to insulate the area.

2. Subject: The dust situation at F.W.F. line was next brought up.

   Action: Management stated that this line will probably be revised in the near future and it may make a difference in the entire setup.

3. Subject: Subject of Good Housekeepin. was discussed.

   Action: Plant sweeper is again in service. The Good Housekeeping program is to be revitalized for the seven day operation.

4. Subject: Union asked about the bonus standards on Trimming and Packing lines again.

   Action: The standards are still being studied. The emphasis will be on pieces trimmed instead of pieces packed. Still expect to have revised standards by August 1, 1960.

5. Subject: Union questioned the No. 1 line operator's rate.

   Action: The restudy for this and other areas is expected to be finished by August 1, 1960.

6. Subject: The Dowtherm ventilation system was next brought up.

   Action: Management said that panels would be put up as suggested by the Union as soon as time is available.

New Business

1. Subject: Union protested the lack of room in the Parking Lot, especially for the 4 to 12 shift.

   Action: Management plans to remove some of the asbestos which is now stored on the lot. Other plans are also to be carried out to make more room in this area.

2. Subject: Union asked about Production Standards on new Router.

   Action: This area under study. Hourly rate could be changed. Two wrappers will be sufficient at present. The existing standards are now being used.

3. Subject: Union protested the ventilation in old Router area.

   Action: Management explained that this Router would be used only for lag, but will see what can be done for better ventilation.

4. Subject: Union requested separate vacation checks.

   Action: Management will get in touch with Barrington and try to have this done.

5. Subject: The job duties at the Packing Line was questioned.

   Action: J. P. Crook will look into this and have it straightened out.

6. Subject: The case of Charles Rose returning to work was brought up.

   Action: Management stated that they would rehire Charles when the medical reports indicate that he can return to work and perform in a normal manner.

7. Subject: Union protested about supervisors working. There was a general discussion on this subject. Management brought up Article 20, Section 1 of the Contract, explaining about Supervisors doing emergency work. Union feels that four hours or more is not an emergency and if it were, more help should have been brought in.

   Action: Management promised to look into it.
