Hi Richard,

Thanks for reaching out and for the invitation! I'm also looping in Ruby McGregor on our scheduling team, while Izzy is traveling. Transparently I can share up front that the Secretary is currently scheduled to be in NYC on the event dates, however, we are happy to explore options. Would NMA be interested in a surrogate?

Isabelle and Ashley – please find attached an invitation for Secretary Wright to address the National Mining Association (NMA) Board of Directors meeting at The Broadmoor, in Colorado Springs, Colorado in September.

Our members would love to hear from the Secretary.

Let me know if you have any questions or if I can provide additional information.

Thank you for your assistance,
Richard
