Attached are proposed drafts of letters to customers. These letters are intended for mailing with copies of the new FDA regulation on PCBs when it becomes available.

Mailings will be made to the following:

1. Customers who responded to the March 6, 1972 letter (copy attached).

2. Customers who did not respond to the March 6, 1972 letter.

3. All Pydraul customers of record 1969 thru June, 1972.

Comments are requested from all recipients.
