SUBJECT: PROGRAM FOR L.I.A.
ANNUAL MEETING

To Members of Lead Industries Association:

Attached is a copy of the completed program for the Silver Anniversary Meeting of the Lead Industries Association, to be held at The Greenbrier, White Sulphur Springs, W. Va., on April 9-10. We believe you will find that it equals or exceeds the usual high standard of L.I.A. annual meeting programs in the past, due primarily to the willingness of members to participate wholeheartedly in these meetings.

If you plan to attend and have not already made your hotel and transportation reservations and sent us the advance registration form, may we suggest that you do so immediately so that you will get satisfactory accommodations?

In case you have mislaid the previous hotel reservation and advance registration forms we would suggest that you write directly to The Greenbrier for hotel accommodations, mentioning that you are attending the Lead Industries Association annual meeting, and that you use the extra advance registration form enclosed to send to us.

Very truly yours,

Robert E. Ziegler

Secretary.
