

ASBESTOS USAGE BY BODY ENGINEERING

<u>Materials</u>	<u>Specifications</u>	<u>Original Applications</u>
Adhesives	ESB-M2G58-C ✓	Metal to metal bond on hood and deck lid inner panel to outer panel assemblies, and other body reinforcements.
	ESB-M2G171-AB ✓	Primer for painted surface of pinch weld flange prior to bonding tape for windshield and backlite.
Sealers	ESB-M4G1-B ✓	Exterior body seams such as drip rail to roof top joint
	ESB-M4G31-A ✓	Windshield and backlite.
	ESB-M4G32-A ✓	Wiring harnesses, fire wall holes, and roof panel flanges.
	✓ ESB-M4G40-A ✓	Rear floor pan to floor pan extension joint and non-visible vertical body seams.
	ESB-M4G58-B ✓	Drip moldings to roof rail weld flange, body side applique and scuff plates.
	ESB-M4G101-B ✓	Backlite opening corners.
	ESB-M4G108-A ✓	Sealer strip for body joints and openings such as tail lamp housings to body.
	ESB-M4G109-A ✓	Polyethylene water shields to metal and weatherseals to metal.
	ESB-M4G110-A ✓	Same as above, primarily to seal drip rail pinch weld flanges.
	ESB-M4G126-B ✓	Interior body seams and lap joints such as quarter panel to floor outer member.
	ESB-M4G137-A/B ✓	With tape for molding retainer and sheet metal openings. "B" for pinch weld flanges.
	ESB-M4G139-B ✓	Exterior body coach joints and lap joint seams. Quarter panel to upper back panel. Quarter panel to rocker panel.
✓	ESB-M4G141-A ✓	Body seam sealer. Rear floor pan to extension. Non-visible vertical seams.
	ESB-M4G145-C ✓	Interior body seams and welded joints. Wheelhouse assemblies to quarter panels.

<u>Materials</u>	<u>Specifications</u>	<u>Original Applications</u>
	ESB-M4G147-B ✓	Exterior body joints. Door opening lap joints. Exterior panel to lock pillar lap joint.
✓	ESB-M4G161-C ✓	Welded joints on body in white. Wheelhouse assembly to quarter panels. Floor pan extension to quarter panels.
	ESB-M4G162-A ✓	With windshield and backlite bonding tape for openings between windshield glass and/or pinch weld.
	ESB-M4G172-A ✓	Sealing and feathering exterior lap joints and voids, corners of backlite, oily metal, body in white.
✓	ESB-M4G174-A ✓	Exterior body joints and lap joint seams. Quarter panel to upper back panel. Quarter panel to rocker panel.
	ESB-M4G177-B ✓	Exterior body seams. Drip rail to roof top joint.
✓	ESB-M4G197-A ✓	Exterior body coach and lap joint seams. Quarter panel to upper back panel. Quarter panel to rocker panel and door opening lap joints.
✓	ESB-M4G198-A ✓	Sealing and feathering lap joints and voids such as corners of backlite openings.
	ESB-M4G198-C ✓	Sealing and feathering all lap joints and voids such as cowl side panels.
Deadeners	ESB-M5G8-A ✓	Sandless coating for quarter panels, front end assemblies and underbodies.
	ESB-M5G22-A ✓	Mastic spray on body panels, doors, quarter panels, deck lid, wheel wells, fender aprons, and underbodies
	ESB-M5G25-A ✓	Mastic spray on, quarter panels, doors, wheel wells.
Gaskets	ESB-M2E57-A ✓	Insulator between floor pan and exhaust system.
	ESB-M2E57-B ✓	
	ESB-M8G145-A ✓	Seat belt anchor insulator.
