The traffic jam has been caused mostly by sharp increases in American supplies," said the Saigon conference which is responsible for Japanese freight service to South Viet Nam.

Three Japanese companies Nihon Yusen, Mitsui-O S K and Kawasaki Kisen Kaisha—also members of the Saigon conference.

A spokesman for the conference said he knew of two foreign member lines which suspended freight operations Saigon last August because conditions in the port.

SEEKS ASYLUM

MADRID (UPI) — Eduard Diaz Rodriguez, 20, one of several Cubans who arrived to join the crew of a Cuban fishing boat under construction in Spain, has asked for political asylum, officials disclosed Friday.
