Dear Ms. Silva:

This letter concerns your application for a Department of the Army permit to discharge fill material into Waters of the U.S. associated with the construction of a wind energy generation facility in the Towns of Centerville and Rushford, Allegany County, the Towns of Farmersville, Freedom, and Yorkshire, Cattaraugus County, and the Towns of Arcade and Eagle, Wyoming County, New York, and a Transmission Facility entirely in the Towns of Freedom and Yorkshire, Cattaraugus County, New York.

Enclosed is the validated Department of the Army permit which you have accepted the terms and conditions thereof.

Please note that our office must be informed of the commencement and completion of the authorized work. Forms for this purpose are enclosed. The enclosed first page of the permit describing the proposed work must be conspicuously displayed at the site of work.

Revised plans must be submitted to our office if material changes in the location or plans of the work are necessary because of unforeseen or altered conditions, or otherwise. These revised plans must receive the approval required by law before construction is started.
