SUBJECT

ANSWERING LETTER OF

Please refer to our Chicago inventory. On the recap we have given the name of "Old Stock" to certain portions of our inventory, but the inventory sheets themselves have been headed "Dead Stock." Mr. Alsop suggests that we change our sheets to read "Old Stock" also and advise you so that you may change your copies too.

On Cleveland sheets 47-50 are headed "Old Stock" but the recap reads "Dead Stock" which we are changing to read "Old Stock."
