Good morning James -

My colleague, Stephen Gordon, copied, is going to be conducting the advance for Administrator Wheeler's Visit on Monday.

Stephen was hoping to come an hour or so prior to the Administrator - would you mind connecting us with someone from your team that can meet him for a brief walk-through?

Thank you,

Kelly

I'm looping in Kelly Kunding and Mark Pruitt who are part of our advance team and security detail for Acting Administrator Wheeler. They will be in touch regarding the logistics. As for the staff joining the meeting, it will be Michael Molina and Tate Bennett.

Thanks.

Aaron,

Thanks for your response – we are still missing substantial details regarding this meeting.

1. What are your arrival details? – you will need to coordinate with our security team for entry to the garage and building.
2. We will also need to know if the Administrator will have any staff joining the meeting with Mrs. James? If so, who?
3. The meeting between Mrs. James and Administrator Wheeler is taking place in Mrs. James's office, I am not sure where you are meeting with Steve Moore but you should factor in 5 minutes to get to the other meeting location.
4. Will you be sending an advance team?

Lastly, you indicated that Rob Bluey and I would be hearing from Tate regarding meeting details. We have not heard from her yet please confirm what these details are.

Best Regards,
James

Let's lock in 10:00 a.m. Mrs. James would be happy to host him for coffee and a meeting in her office.

Thanks for reaching out. We have been traveling across the Midwest meeting with our members this week and next so I appreciate you bringing this to the top of my inbox.

We could do the 27th, do you have times that work best?
