Hi Jen! James and I were wondering if the Governor could provide a quote on EPA's timeliness of the waivers? Sorry for the brevity- boarding a flight. Thanks Tas!

Jen,

I want to introduce you to Tate Bennett, Associate Administrator for Public Engagement for EPA Administrator Scott Pruitt.

Tate has been an excellent resource for Georgia Farm Bureau at EPA since Administrator Pruitt has been in charge, and she has been extremely helpful on issues our members have faced here at home.

We received the wonderful news this morning regarding EPA waiving the red-dye diesel requirements so Georgia on-road vehicles can be better responsive to the emergency situations related to Hurricane Harvey.

We wanted to make sure you were in touch in light of this news from EPA.

If either of you need anything from me let me know.

Thanks.

Tas
