Re: Mr. John L. Elliott

Dear Ned:

Please accept my apologies for not having sent you a report on Mr. Elliott. Ordinarily in my dictation I direct that a carbon copy of the office note be sent at that time, but somehow overlooked it - a photocopy is enclosed now. My recommendations are contained in the final paragraph of that note. Thanks again for the privilege of seeing Mr. Elliott.

Sincerely yours,

John W. Middleton, M. D.
