The brief list transmission of the issues for which DIC would like to discuss on Sept. 15th

I would like to send the brief list of the issues for the meeting on Sept. 15th, which D.I.C. wish, as below.

1. Short self-introduction of D.I.C.
2. Introduction of customer's situations of D.I.C., and your comments.
3. The direction of TSCA. (including regulatory and practical aspects)
4. About the meaning of the "critical" and "risk balance" in EPA's opinion.
5. Others:
 - for other fluoro-compounds: PFOA, Telomer, C-4~6compounds, etc, to our
 - for articles.

We visit EPA, room 526 of the East Tower, at 10:00 am on Sept.15th, for confirmation.
I would appreciate it if you would keep at least 2 hrs for us.

Regards;

Masanobu Yumoto
