Dear Dr. Kehoe:

We are sending you under separate cover today an original urine specimen from the following man:

[REDACTED] #188

On May 17, 1945, [REDACTED] got a drop of TEL in eye and several drops on face. He is having no unusual symptoms.

Blood and urine recheck specimens are being sent on:

[REDACTED] #72

Recheck urine specimens are being sent from the following men:

[REDACTED] #3580

[REDACTED] #3626

[REDACTED] eats well. However, he does not sleep very well, and his head is dizzy at times.

[REDACTED] feels about the same. He complains of pain

Very truly yours,

H. H. FISHER, PLANT MANAGER
