Dear Lee:

I have scheduled my trip to arrive in Boston on September 21, Wednesday morning by rail about 8:30 E.D.S.T. I must catch a plane to Cincinnati on Thursday afternoon, September 22 at 3 PM.

Could we make our call at the Navy Yard at Portsmouth on Wednesday afternoon or Thursday morning?

I would like to rent a car since I want to spend Wednesday night in Concord, New Hampshire visiting my family. With this in mind, perhaps we should drive to Portsmouth on Wednesday forenoon and get the call out of the way that afternoon.

Sincerely,

Elmer F. Wheeler
