If you guys are tracking something different let me know. My folks told me to get two members of the legislature - one for the prayer and one for the pledge 10:06 AM

Justin Harding
JH Okay. Do you have those arranged? 10:06 AM

DM We would need a prayer to vet perhaps this is a little too late. Just got some feedback from folks here 10:06 AM

Ok - I was told to have Speaker Hughes pick those two members of the delegation if we do get the go ahead. I'm going to have him think of them just in case and we can figure out if it's feasible at a later point 10:09 AM

Justin Harding
JH Okay. Do you want me to follow up with Hartley? I'm with him now. 10:10 AM

I just gave him a call so we should be good. Thanks!!  10:10 AM

Yep I know him well. I'm good with that. He's on the stage for the signing too so that makes it easy 10:15 AM

Justin Harding
JH Okay. So that's an approval. I've let Greg now. 10:16 AM

I'm good as long as advance is good, I'll put it that way. Greg also said Rep. Val Peterson for the pledge. I'm ok with that if everyone else is. Do we need to do anything there? He hasn't been vetted for anything 10:19 AM

Justin Harding
JH He's great. General in the Guard. 10:20 AM
