Dear Dr. Vorwald:

Mr. Woodard is at present away from New York on a trip and your three letters of March 4 will be brought to his attention upon his return early next week.

Mr. Vandiver Brown has raised the question about the approximate date of publication of the paper on "Asbestosis" and we hope you will keep us informed as to when it is to appear.

In the meantime, if you have available extra copies of the report dated January 21, 1949, we would like to have six additional copies, complete with the tables.

Yours very truly,

(Miss) Dorothy M. Hobart
Secretary to J. P. Woodard
