San Diego. "I can appreciate the value of Dr. Pierce's Golden Medical Discovery and Pleasant Pellets. I am now 72 years old and in firm physical condition, but some thirty-five years ago when I first heard of Dr. Pierce's family medicines, I was in pretty bad shape. I had a heavy cold with a straining cough, and no appetite, and lost strength and 'pep.' My stomach had gone back on me and I suffered with indigestion and sharp shooting pains all over my body. I soon found relief by taking the 'Golden Medical Discovery' and the 'Pleasant Pellets.' My cough and cold disappeared and I began to gain in strength. Four bottles of the 'Discovery' and an occasional 'Pellet' put me on my feet again and since then I have enjoyed good health."—E. L. Spink, 1815 Irving Ave.
