Harry Jordan Calls for Larger Labor Pay
Harry Jordan, California Federation of Labor President, called for a 10 percent increase in wages for California workers. He said that the state's economy is strong and that workers should share in the prosperity. He also called for a 10 percent increase in the minimum wage.

Crainston Hits Proposal for State Lottery
Crainston, a member of the California State Lottery Commission, hit the proposal for a state lottery. He said that the lottery would be a waste of money and that it would not generate enough revenue to cover the state's needs.

ENGLE'S DECISION
Engle, a member of the California State Lottery Commission, announced his decision on the proposal for a state lottery. He said that he was in favor of the proposal and that he would vote in favor of it.

Effective Sunday, April 26, 1964

Santa Fe Railway
