

APPENDIX 2

Curriculum Vitae

Otto Wong, Sc.D., F.A.C.E.

M. Donald Whorton, M.D., M.P.H.

Leeka Kheifets, M.A.

Kathleen W. Claxton, B.S.

Steven Tai, M.S.

Margaret Hoffleit Doleman, B.A.

OTTO WONG, Sc.D., F.A.C.E.

Environmental Health Associates, Inc.
2150 Shattuck Ave., Berkeley, CA 94704

Curriculum Vitae

Professional Background

1981 - Present	Principal Senior Epidemiologist/Biostatistician Environmental Health Associates, Inc. Berkeley, California
1980-1981	Director of Occupational Research Senior Epidemiologist/Biostatistician Biometric Research Institute, Inc. Washington, D.C.
1978-1980	Director of Epidemiology Epidemiologist/Biostatistician Tabershaw Occupational Medicine Associates, P.A. Rockville, Maryland
1977-1978	Manager, Epidemiology and Biostatistics Department Equitable Environmental Health, Inc. Rockville, Maryland
1975-1978	Assistant Professor Division of Biostatistics and Epidemiology Georgetown University School of Medicine
1972-1975	Public Health Service (NIOSH) Fellow in Biostatistics Graduate School of Public Health University of Pittsburgh

Board Certification

1982	Fellow, American College of Epidemiology
------	--

Education

- | | |
|------|--|
| 1970 | B.S.(magna cum laude), Physics and Mathematics
University of Arizona |
| 1972 | M.S., Physics
Carnegie-Mellon University |
| 1973 | M.S., Biostatistics
Graduate School of Public Health
University of Pittsburgh |
| 1975 | Sc.D., Biostatistics
Graduate School of Public Health
University of Pittsburgh |
| 1982 | Courses in Accounting and Management
University of California at Berkeley |

Professional Affiliations

American Medical Record Association
American Public Health Association
American Statistical Association
Biometric Society
Caucus of Asian American Health Workers
Washington Statistical Society
Society for Clinical Trials
Society for Epidemiologic Research
Society for Occupational and Environmental Health

Awards and Honors

International Scholarship Recipient, University of Arizona
Dean's List, University of Arizona
University Scholar, University of Arizona
Pi Mu Epsilon
Phi Beta Kappa
Nominated for Rhodes Scholar
B.S.(High Distinction and Honors Program), University of Arizona
Who's Who in California, 14th Edition, 1983

Other Professional Activities

Invited speaker, 1978 Joint Conference on Occupational Health sponsored by AAOM and AAIH
Invited speaker, Third CIIT Conference on Toxicology: Formaldehyde Toxicity sponsored by the Chemical Industry Institute of Toxicology
Invited speaker, Banbury Center Conference on Quantification of Occupational Cancer Cancer sponsored by Cold Spring Harbor Laboratory
Reviewer, Journal of Occupational Medicine
Reviewer, Demography
Book Reviewer, Epidemiology Monitor
Member, Site Visit Team, Smoking and Health Program, National Cancer Institute
Proposal Reviewer, Smoking and Health Program, National Cancer Institute
Consultant, Organization Resources Counselors, Inc.
Consultant, Motor Vehicle Manufacturers Association
Consultant, Enviro Control, Inc.
Consultant, Sclavo Pharmaceutical, Inc.
Consultant, Western Electric Corporation
Consultant, Cosmetic Ingredient Review; Cosmetic, Toiletry and Fragrance Association
Consultant, Psychiatry Department, Fairfax Hospital
Consultant, Tabershaw Occupational Medicine Associates, P.A.
Consultant, Chemical Industry Institute of Toxicology
Consultant, Velsicol Chemical Corporation
Consultant, Professional Consultants in Occupational Health, Inc.
Consultant, National Institute for Occupational Safety and Health
Consultant, Union Carbide Corporation
Consultant, Health Industry Manufacturers Association

Publications

1. Wong O: "Temporal Aspects of Lung Cancer Mortality Among Retired Asbestos Workers." Masters Thesis, University of Pittsburgh, 1973.
2. Wong O: "Adjustment of Mortality Rates in the Presence of Confounding Factors and Competing Risks in Occupational Health Studies." Doctoral Dissertation, University of Pittsburgh. University Microfilm, Ann Arbor, Michigan, 1975.
3. Wong O: "Further Criticisms on Epidemiological Methodology in Occupational Studies." Journal of Occupational Medicine, Vol. 19, No. 3, pp. 220-222, March, 1977.
4. Wong O: "A Competing-Risk Model Based on the Life Table Procedure in Epidemiological Studies." International Journal of Epidemiology, Vol. 6, No. 2, pp. 153-159, June 1977.
5. Wong O: "Chapter 1: Literature Review and Historical Perspective". in Mortality Among Coal Miners Covered by the UMWA Health and Retirement Funds. (H.E. Rockette, Project Director), DHEW (NIOSH) Publication No. 77-155, pp. 1-27, March, 1977.

Publications (cont.)

6. Chiazze L, Nichols WE, and O Wong: "Mortality Among Employees of PVC Fabricators." Journal of Occupational Medicine, Vol. 19, No. 9, pp. 623-628, September, 1977.
7. Wong O, Rockette HE, Redmond CK, and M Heid: "Evaluation of Multiple Causes of Death in Occupational Mortality Studies." Journal of Chronic Diseases, Vol. 31, No. 3, pp. 183-193, March, 1978.
8. Wong O, Utidjian HMD, and VS Karten: "Retrospective Evaluation of Reproductive Performance of Workers Exposed to Ethylene Dibromide (EDB)." Journal of Occupational Medicine, Vol. 21, No. 2, pp. 98-102.
9. Pietnen PI, Wong O, and AM Altschul: "Electrolyte Output, Blood Pressure and Family History of Hypertension." American Journal of Clinical Nutrition, Vol. 32, pp. 997-1005, May, 1979.
10. Wise TM, Hall WA, and O Wong: "The Relationship of Cognitive Styles and Affective Status to Post-Operative Analgesic Utilization." Journal of Psychosomatic Research, Vol. 22, pp. 513-519, 1978.
11. Wise TM, Hall WA, and O Wong: "Simple Screening Techniques to Estimate Prospective Narcotic Use." Southern Medical Journal, Vol. 72, No. 4, pp. 415-417, April, 1979.
12. Wong O, and Altschul AM: "Correlations between Salt Intake, Blood Pressure and Family History of Hypertension". American Journal of Clinical Nutrition, Vol. 33, No. 10, pp. 2218-2220, October, 1980.
13. Wong O, and IR Tabershaw: "Comments on Mortality Among Workers Employed in Petroleum Refining and Petrochemical Plants." Journal of Occupational Medicine, Vol. 22, No. 10, pp. 638-640, October, 1980.
14. Chiazze L, Wong O, Nichols WE, and LD Ference: "Breast Cancer Mortality Among PVC Fabricator." Journal of Occupational Medicine, Vol. 22, No. 10, pp. 677-679, October, 1980.
15. Jacobson RJ, Klappenbach RS, Clinton C, de Moor NG; and O Wong: "Hodgkin's Disease in South African Children." South African Medical Journal, Vol. 53, pp. 133-137, 1981.
16. Wise TN, Wong O, and WA Hall: "Pain Response Compared: After Back Surgery, Cholecystectomy." Virginia Medical Journal, Vol. 108, pp. 183-185, March, 1981.

Publications (cont.)

17. Wong O: "An Epidemiologic Study of Workers Potentially Exposed to Brominated Chemicals, with a Discussion on Multi-factor Adjustments." in Quantification of Occupational Cancer, edited by R. Peto and M. Schneiderman, pp. 359-378, published by Cold Springs Harbor Laboratory, New York, 1981.
18. Wong O; and FL Hurley: "A Biostatistical and Epidemiologic Perspective of an Occupational Health Record System." Journal of American Medical Record Association, Vol. 52, No. 5, pp. 56-62, October, 1981.
19. Wong O: "A Practical Guide for Non-Epidemiologists. Part 1." Occupational Health and Safety, Vol. 50, No. 10, pp. 31-39, October, 1981.
20. Wong O: "A Practical Guide for Non-Epidemiologists. Part 2." Occupational Health and Safety, Vol. 50, No. 11, pp. 21-26, November, 1981.
21. Wise TN, Wong O, and WA Hall: "Postoperative Pain Response in Two Separate Surgical Populations." To appear in "Pain and Psychological Distress", edited by N. Hendler and D. Long, published by P.S.G. Publishing Co., Boston.
22. Wong O: "An Epidemiologic Mortality Study of A Cohort of Chemical Workers Potentially Exposed to Formaldehyde, With a Discussion on SMR and PMR." in Formaldehyde Toxicology, edited by J.E. Gibson, pp. 256-272, published by Hemisphere Publishing Corporation.
23. Wen CP, Wong O, Tsai SP, and RL Gibson: "Epidemiology of Refinery Workers With Solvent-Related Exposures." Proceedings of the 11th Conference on Environmental Toxicology, Dayton, Ohio, November 9, 1980.
24. Chase KH, Wong O, Thomas D, Berney BW, and RK Simon: "Clinical and Metabolic Abnormalities in Occupational Exposure to Polychlorinated Biphenyls (PCBs)." Journal of Occupational Medicine, Vol. 24, No. 2, pp. 109-114, February, 1982.
25. Wong O, and P Decoufle: "Methodological issues Involving the Standardized Mortality Ratio and Proportionate Mortality Ratio in Occupational Studies." Journal of Occupational Medicine, Vol. 24, No. 4, pp. 299-304, April 1982.
26. Wong O: Practical Occupational Epidemiology, to be published by Lifetime Learning Publications in 1983.
27. Wong O: "Epidemiologic Studies of Occupational Cancers: Approaches, Data Sources and Limitations." Proceedings of the Symposium on Epidemiology, Sponsored by the American Chemical Society. New York, New York, August 26, 1981.

Publications (cont.)

28. Hurley FL, and O Wong: "Epidemiologic Use of Occupational Health Records: Data Elements, System Linkage and Utilization." Proceedings of the Symposium on Epidemiology, Sponsored by the American Chemical Society, New York, New York. August 26, 1981.
29. Tsai SP, Wen CP, Weiss NS, Gibson RL, McClellan W, and O Wong: "A Retrospective Mortality and Medical Surveillance Study of Benzene Exposed Refinery Workers." Proceedings of the Symposium on Epidemiology, Sponsored by the American Chemical Society, New York, New York, August 27, 1981.
30. Morgan RW, and O Wong: "Evaluation of Diagnostic Devices: An Epidemiologic Perspective." Medical Device and Diagnostic Industry, Vol. 5, No. 4, pp. 28-31, April 1983.
31. Wong O, Brocker W, Davis HV, and GS Nagle: "Mortality of Workers Potentially Exposed to Organic and Inorganic Brominated Chemicals, DBCP, TRIS, PBB and DDT." To appear in British Journal of Industrial Medicine.
32. Tsai SP, Wen CP, Weiss NS, Wong O, McClellan W, and RL Gibson: "Retrospective Mortality and Medical Surveillance Studies of Workers in Benzene Areas of Refineries." To appear in Journal of Occupational Medicine, August 1983.
33. Wong O, Morgan RW, and MD Whorton: "An Epidemiologic Method for Evaluating Occupational Reproductive Hazards," Journal of Occupational Medicine, Vol. 25, No. 4, p. 328, April, 1983.
34. Austin SG, and O Wong: "The Three L's in Constructing Exposure Indices in Occupational Epidemiologic Studies and a New Generalized Index," Abstracts of the American Industrial Hygiene Conference, April, 1983.
35. Wong O, Tsai SP, Wen CP, Gibson RL, and W McClellan: "Long-Term Mortality Study of Oil Refinery Workers Exposed to Lubricating-Dewaxing Solvents Including Methyl Ethyl Ketone (MEK)." Submitted for publication.
36. Cooper WC, and O Wong: "A Study of Mortality in a Population of Nickel Miners and Refinery Workers." Submitted for publication.

M. DONALD WHORTON, M.D., M.P.H.
Principal

Environmental Health Associates, Inc.
2150 Shattuck Ave., Berkeley, CA 94704

Curriculum Vitae

Professional Background

1978 - Present	Principal Senior Occupational Physician Environmental Health Associates, Inc. Berkeley, California
1979 - Present	Associate Clinical Professor, Occupational Medicine School of Public Health University of California Berkeley, California
1975 - 1979	Medical Director Labor Occupational Health Program Institute of Industrial Relations Center for Labor Research and Education University of California Berkeley, California
1975 - 1979	Lecturer School of Public Health University of California Berkeley, California
1975 - 1977	Clinical Assistant Professor School of Medicine Department of Medicine Division of Ambulatory and Community Medicine University of California San Francisco, California
1974 - 1975	Associate Director Division of Emergency Medicine Baltimore City Hospitals Baltimore, Maryland
1974 -1975	Instructor Johns Hopkins University School of Medicine Dept. of Medicine Baltimore, Maryland

1973 - 1975 Instructor
 Johns Hopkins University
 School of Health Services
 Baltimore, Maryland

1971 - 1972 Staff Physician
 Family Planning Clinic
 Washington, D.C.

1970 - 1971 Instructor
 University of New Mexico
 School of Medicine
 Dept. of Anatomy
 Albuquerque, New Mexico

Education

1961 - 1962 U.S. Naval Academy

1962 - 1964 New Mexico Highlands University

1964 - 1968 M.D., with honors
 Alpha Omega Alpha
 University of New Mexico
 School of Medicine

1968 - 1969 Internship
 Harvard Medical Service
 Boston City Hospital

1969 - 1971 Resident
 Department of Pathology
 University of New Mexico
 School of Medicine Affiliated Hospitals

1972 - 1974 Resident
 Department of Medicine
 Baltimore City Hospital

1973 M.P.H.
 Environmental Medicine
 Johns Hopkins University
 School of Hygiene and Public Health

Professional Affiliations

American Public Health Association, 1973 - Present
Society for Occupational and Environmental Health, 1974 - Present
American College of Emergency Physicians, 1974 - 1976
California Medical Association, 1976 - Present
American Academy of Occupational Medicine, Fellow: 1977 - Present
American Association for the Advancement of Science, 1978 - Present
Institute of Medicine, National Academy of Sciences, Member, 1983 - Present
American College of Epidemiology, Fellow, 1983 - Present
Permanent Commission and International Association on Occupational Health, 1983 - Present
Correspondent, National Academy of Science Committee on Human Rights, 1983 - Present

Awards and Honors

Member, Highlands University Honor Society
Alpha Omega Alpha
Upjohn Achievement Award
Robert Wood Johnson Foundation Clinical Scholar

Board Certifications

1969	National Board of Medical Examiners
1975	American Board of Preventive Medicine in Occupational Medicine
1975	American Board of Internal Medicine
1983	American College of Epidemiology

Other Professional Activities

State of California, Department of Industrial Relations, Advisory Committee for Hazard Evaluation Service and Information System, 1978-present, Chairperson, 1979 - present.

CDC/NIOSH Study Section Occupational Safety and Health, 1980-83

American Occupational Medical Association, Occupational Medical Practice Committee, Member 1982 -

American Journal of Public Health, Editorial Board, 1981-

Alameda-Contra Costa County Medical Association, 1976-present

Other Professional Activities (cont.)

Occupational Safety and Health Section, Secretary-elect and Secretary, 1973-75,
chairperson, 1976-77

Occupational Health and Safety Section, Convention Program Chairman, 1975

APHA Chart Book Project Committee, Health and Work in America

APHA Committee on Occupational Health and Safety, 1973-74

Consultant to the Commissioner, State of Maryland, Division of Labor and Industry

Consultant, Occupational Health Program, Institute of Industrial Relations,
University of California, Berkeley

Consultant, Working for your Life: A Woman's Guide to Job Health Hazards, by
Hricko A, and M Brunt, Labor Occupational Health Programs, University of
California, Berkeley, 1976

Consultant, "Working Steel," a 20-minute film about foundry work directed by
Ken Light and Charles West, Labor Occupational Health Programs, University
of California, Berkeley

"Doctor's Corner," a regular feature in the Monitor, the Labor Occupational
Health Program newsletter

MCHR Occupational Health Project, Coordinator, 1971 - 1972

Developed occupational safety and health material and programs as designated
by the Director of Health Research Group, Washington, D.C.

Special consultant, Bitter Wages, Joseph Page and Mary Winn O'Brien, New York,
Grossman, 1972

LEEKA KHEIFETS, M.A.
Biostatistician

Environmental Health Associates, Inc.
2150 Shattuck Ave., Berkeley, CA 94704

Curriculum Vitae

Professional Background

1981 - Present	Biostatistician Environmental Health Associates, Inc. Berkeley, California
1980 - 1981	Senior Statistician School of Public Health University of California Los Angeles, California
1978 - 1980	Statistician Computing Resources Group Neuropsychiatric Institute UCLA Los Angeles, California

Education

1977	M.A., Statistics University of California at Berkeley
1975	B.S., Mathematics University of Yerevan USSR

Other Professional Activities

Presentations at American Public Health Association Annual meetings, 1981.

Publications

Sinclair, E., and Kheifets, L., (1981): "Use of Clustering Techniques in Deriving Psycho-Educational Profiles", Contemporary Educational Psychology, in press.

The Risk Factor Update Project, (1981): "Working Paper", For Centers for Disease Control, U.S. Department of Health and Human Services.

Morgan RW, Kheifets, L, Obrinsky DL, Whorton MD and Foliart DE: "Fetal Loss and Work in a Waste Water Treatment Plant", in press, Am J Public Health.

KATHLEEN W. CLAXTON, B.S.
Projects Manager

Environmental Health Associates, Inc.
2150 Shattuck Ave., Berkeley, CA 94704

Curriculum Vitae

Professional Experience

1980-present	Projects Manager Environmental Health Associates, Inc. Berkeley, California
1977-1980	Environmental Health Research Analyst Center for Community Health Studies SRI International Menlo Park, California
1977	Technical Literature Specialist Center for Occupational and Environmental Safety and Health Stanford Research Institute Arlington, Virginia
1976-1977	Assistant Personnel Administrator Oscar B. Hunter Memorial Laboratory Washington, D.C.

Education

1979-present	Enrolled in Master's Program in Environmental Planning San Francisco State University
1980 (Summer)	Graduate Session in Epidemiology (coursework in epidemiology and biostatistics) University of Minnesota
1976	B.S., Environmental Studies George Washington University

Publication

Morgan, Robert W.; Claxton, Kathleen W.; et al: "Mortality Among Ethylene Oxide Workers". Journal of Occupational Medicine, Vol. 23, No. 11, pp. 767-770, November, 1981.

STEVEN T.S. TAI, M.S.
Statistical Programmer

Environmental Health Associates, Inc.
2150 Shattuck Ave., Berkeley, CA 94704

Curriculum Vitae

Professional Background

1/83 - present	Statistical Programmer Environmental Health Associates, Berkeley, CA
9/82-12/82	Teaching Assistant University of California Berkeley, California
9/81-12/82	Information System and Operations Research Analyst Hong Kong and Shanghai Banking Corporation Hong Kong

Education

1981	M.S., Operations Research University of California, Berkeley, CA
1980	B.S., Operations Research Columbia University, New York, NY

Computer Languages

FORTRAN, APL, Assembly Language

Honors

1980-81	Earle C. Anthony Fellowship Graduate Division University of California, Berkeley, CA
1977-79	Dean's List Columbia University, New York, NY

MARGARET D. HOFFLETT
Research Analyst/Nosologist

Environmental Health Associates, Inc.
2150 Shattuck Ave., Berkeley, CA 94704

Curriculum Vitae

Professional Background

1979-present	Research Analyst/Nosologist Environmental Health Associates, Inc. Berkeley, California
1976-1979	Research Assistant/Research Analyst Center for Occupational and Environmental Safety and Health SRI International (Stanford Research Institute) Menlo Park, California
1973-1976	Research Assistant Equitable Environmental Health, Inc. (Tabershaw-Cooper Assoc., Inc.) Berkeley, California

Education
