Dear Mr. Hemp:

Rich Kruszynski asked that I provide you the FDA status of Geon 86154 Trans PLTS 002. A review of the formulation for Geon 86154 Trans PLTS 002 indicates that the compound does not have any clearances for any indirect food additive applications under the current requirements of the FDA.

If you have any questions, please give me a call (216/447-5182).

Sincerely,

THE BFGOODRICH COMPANY
