N. Kingsville, OH 44068

Clinic No. 1-224-826-1

Dear Mr. Price:

It was a pleasure seeing you on May 9, 1984. I am happy to tell you that your SMA-17 multi-chemistry profile is unremarkable, and that your CT scan shows no evidence of recurrent angiosarcoma. I look forward to seeing you with Dr. Vogt in approximately three months.

Sincerely,

G. Thomas Budd, M.D. / pms
