## SHERWIN-WILLIAMS PAINTS

ping-pong balls.

The house is equipped with tables, nets, paddles, but of essential balls it has none. Neither can its directors buy any because it seems that the tiny celluloid spheres are casualties of war.

If you have any in your home that are not being used, the boys who frequent the Hospitality House would appreciate it if you donated them. Just drop by 570 University avenue on your way to town.
