Yes, this is very helpful. I will check the schedules and let you know which date works the best.

Thank you,
Diane

We could be fairly flexible the mornings of April 26-28 if that is helpful for scheduling with The Secretary. Might be easier than a specific time.

Thank you,
Sydney

Hi Sydney,

Yes, please. We were originally trying to coordinate a meeting with the Administrator and the Secretary of Energy on the same date to maximize travel from Michigan. The Secretary's scheduler indicated, yesterday, the week of April 24th might be a possibility. If

the Administrator has any availability the week of the 24th, we would attempt to make everyone's schedule work. If this is not possible, please let me know other dates after April 11th.

Thank you for your assistance.

Regards,

Diane

Happy to look at some more dates. Would we want them to be after April 11?

Thank you,

Good Morning Sydney,

Since we are not able to meet on the 11th, which I understand, is it possible to provide some potential dates in April that the Administrator may be able to meet with Ms. Barra, Mr. Glidden, Mr. Turton and Mr. O'Bannon? This would allow us to compare schedules so Ms. Barra and Mr. Glidden could make the trip to DC for a meeting.

Thank you in advance for your assistance.

Regards,

Diane

Hi Diane,

Thank you for the information! While Administrator Pruitt would like the opportunity to meet with Ms. Barra again, we will very likely be traveling on the 11th. I'm not 100% sure that we will be out of state but that is the way things are looking now. Should we look to a future date?

Thank you!

Hi Sydney,

It was a pleasure speaking with you today. Here is the meeting request that was sent on Friday. As I mentioned, the Secretary of Energy will be traveling out of the country and thus cannot make this meeting.

Regards,

Diane

I know we have been working on a meeting request for March 31st but there has been a change in the request.

The Chairwoman & CEO of General Motors, Mary Barra, is going to be in Washington on April 11th along with Craig Glidden and Dan Turton. Because she is going to meet with the President that morning, she would like to join in a meeting with Secretary Perry and Administrator Pruitt along with Mike O'Bannon.

It is important that we lock down a time in the afternoon when they can all meet. The meeting does not have to be separate and therefore the meeting can be at DOE or EPA and coordinated as such. I would appreciate it if you would work with whoever is appropriate so we can get back to the Chairwoman & CEO and let her know that the meeting is scheduled and locked down.

I thank you in advance for your assistance.

Diane
