Mr. V. K. Rowe
Al Chemical Company
Midland, Michigan

Dear Mr. Rowe:

I am in need of any available information on the effects of Vinyl Chloride. Our search of literature has revealed only the publication by Patty, et al, in Public Health Reports in 1930 on the acute effects.

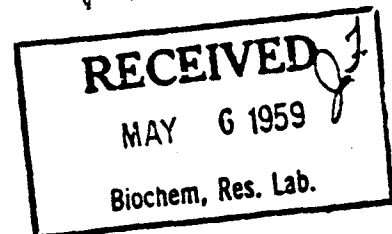

I thought perhaps your company might have developed some additional information and if so, I should appreciate receiving it if it is available for release.

Very truly yours,

Bill
