FILE NAME: US Gypsum (USG)

DATE: Oct 13, 1966

DOC#: USG093

DOCUMENT DESCRIPTION: 1966 Memo to J Walker from R Massey re health hazards from finely ground asbestos

cc: #172-1 - C. C. Thiel

TO: #151 - J. N. Walker

October 13, 1966

FROM: #172-2 - R. N. Massey

SUBJECT: Asbestos - Attached

Comments on possible health hazards of finely ground asbestos appear to be increasing. Has Research considered this? Any Federal controls on its use could cause us real problems.
