Subject: Re: MS Manufacturers Ass'n - Speaking Request

Tate, hope all is starting to calm down for y'all. Drinking from two fire hoses is no fun. Maybe y'all are now down to a single fire hose.

I realize y'all have much going on and that it's difficult to plan far ahead. But it would be very helpful to our conference planning if we could get a hard commitment for a senior EPA Headquarters official to speak in October. We formally requested Administrator Pruitt, Samantha Dravis or another senior official. We don't necessarily need the name of a specific person right now but would like to firm up a senior official, if possible.

Thanks for y'all's help on this. And keep up the great work y'all are doing. I'm a former regulator from the Mississippi Department of Environmental Quality so I appreciate the sacrifices y'all make.

Tate,

Thanks for your help last week and sending the forms for our friends at MS Manufacturers Association. Attached are the completed forms. I'm copying George Malvaney (george@malvaney.com) here who can answer any details and be the point of contact going forward. Thanks again - Brian
