For Attention Mr. R. W. Henry

Date March 18, 1965

Copy to Mr. Hughes

Reference

Subject Johns Manville — Thermobestos Caution Label

The following caution appears on all cartons of Johns Manville Thermobestos:

CAUTION

"This product contains asbestos fiber. Inhalation of asbestos in excessive quantities over long periods of time may be harmful.

If dust is created when this product is handled, avoid breathing the dust.

If adequate ventilation control is not possible, wear respirators approved by the U. S. Bureau of Mines for pneumoconiosis producing dusts."

Attached is a sample of the above caution taken from a Johns Manville Thermobestos carton.
