

ETHYL CORPORATION
INTER-OFFICE
CORRESPONDENCE

TO	Mr. W. F. Gafford	ADDRESS	Houston Plant
FROM	J. G. Burdick, M.D.	ADDRESS	Houston Plant
SUBJECT	Vinyl Checks	DATE	June 11, 1975

Please arrange for the people shown on Attachment #1 to be scheduled for vinyl medical checks as expeditiously as is possible and inform me of the names of other laboratory personnel who may have spent as much as three months (580 hours) total time at work which may have involved exposure to vinyl monomer. Also, we will check any employee who requests such check even though his exposure may not have been significant.

The members of supervision shown on Attachment #2 have been recently checked and do not need to be scheduled at this time.
