Ashley, Jack:

I just wanted to give you a heads up that we heard from Education Secretary McMahon's staff that she is coming to our WGA Annual Meeting in June as one of our keynote speakers. I mention this since we have three time slots set aside in the Annual Meeting agenda for potential keynote addresses, and I understand Administrator Zeldin has expressed interest in attending in a keynote capacity to WGA Chair Governor Lujan Grisham (full disclosure, so has Interior Secretary Burgum).

I wasn't sure if a final decision has been made or not for the Administrator to attend, but I wanted to pass this information along so you have everything as you make that decision. I also wanted to let you know that Governor Polis of Colorado has now RSVP'd for the meeting (along with host Governor Lujan Grisham). We're expecting several additional gubernatorial RSVPs in the coming weeks and I'll continue to pass those along as they come in.

Thanks, and let me know if you have any questions.

Kevin

Hey Ashely,

Jack Waldorf forwarded me your email below as I handle all the forms and invites for the Cabinet officials for our meetings.

As requested, attached is a completed EPA Event Information Form for the WGA 2025 Annual Meeting. I will also keep you and the team updated as we receive RSVPs for the Annual Meeting from our Governors and other Cabinet officials.

If you have any questions or need additional information not asked on the EPA Event Information Form, please do not hesitate to reach out. My job for this Annual Meeting is to make it the easiest event you and the team at EPA work on all year, so let me know how I can assist in making that happen.

Thanks!

Kevin
