Dear Dr. Kehoe:-

This will acknowledge receipt of Dr. Ryder's letter of March 28th to Mr. Blue, together with the report on Julius J. Poppe signed by Drs. Bader, Reineke and Elsey, and a report on Dr. Ryder's inspection of our plant.

Dr. Ryder makes certain recommendations in his report of work that he believes we should have done and we note that this report is approved by yourself. We feel inclined to proceed with the work that Dr. Ryder suggests and we would like to know if he or you can give us any indication of what you believe would be the approximate cost to us of having this work done.

We enclose a check for \$15.00 payable to the Kettering Laboratory and a check for \$73.00 payable to yourself, covering the invoices enclosed along with the letter and reports above mentioned. *To Mrs. S. M. Ryder \$15.00 or Dr. Ryder's office \$73.00*

Yours very truly,
