Mr. A. R. Fisher, President
Johns-Manville Corporation
22 East 40th Street
New York 16, New York

Dear Mr. Fisher:

Shortly after the Trustees' Meeting in May, you requested information on a number of prospects for membership in the Foundation. Subsequently, we reviewed the correspondence file for each of these companies in order to supply you with a resume of any previous contacts. I brought the material with me to New York early this month hoping to see you but found you were on the West Coast at the time. Since my notes were sketchy, I brought them back and have gathered them into the attached memorandum.

I realize the notations are brief and if you have need for any more extensive information on a particular company, we will supply it. I wish to thank you for your continuing interest and assistance, and when I am next in New York I would like to have the opportunity to talk to you about these and other prospective members.

Sincerely,

Daniel C. Braun, M.D.
Medical Director
