Claim No.: 8211 00003
D/A: 3/23/81

Dear Steve:

In reference to your letter of April 12, 1983 enclosed please find a copy of air sampling tests run in the para cresol plant back in 1979.

A more recent survey done by our own Industrial Hygiene Department earlier this year is in the process of being compiled. We will be sending that to you within a week.

Very truly yours,

THE SHERWIN-WILLIAMS COMPANY
