

1 Chest, American College of Chest Physicians.

2 Just take a minute and tell the jury who is
3 the American College of Chest Physicians.

4 A It is another organization of chest
5 physicians similar to the ACGIH. It is not a
6 regulatory body, just a professional organization.

7 Q They are made up of doctors whose primary
8 practice is dealing with diseases of the lung; is that
9 correct?

10 A Yes.

11 Q Like asbestosis? Correct?

12 A Yes.

13 Q Mesothelioma?

14 A Probably initially, but that would be
15 referred to an oncologist after that. They may see a
16 patient and then be referred on.

17 Q You are aware this article is from like
18 1964; is that correct?

19 A I think that is correct, yes.

20 Q This was published for the whole world to
21 see, wasn't it?
