I don't yet, no I'm sorry. He has a lot of things in the air next week. I'm not sure with travel and some announcements on policies coming out next week that I can get it fit in.

I wanted to make introductions for you two in a new capacity. Sam, per telephone conversation, Anne will be joining us as early as 12/18 as the new RA for Region 6. I anticipate OPM will complete her paperwork today and PPO has already approved.

I wanted to get you both together to prepare for the transition because there's a lot of changes ahead for Region 6 and wanted Anne to get read into that soon.

Thank you both

Ryan.
