27th June, 1967.

Atlas Asbestos Company, Limited

I am in receipt of your letter of the 23rd instant, and note that it is still your intention that we should incorporate a new company to protect the Atlas Asbestos Company, Limited name. I will now proceed with the winding-up of the present company and the incorporation of the new one.

Dear Mr. Brown,

I thank you for your letter of 13th June and I think maintain our previous decision that we should incorporate to protect the Atlas Asbestos Company name.

It is true that, if the company does not trade or may in due course be struck off the Register, but I think we protect the name for as long as we can.
