

1 Later on there was an addition of
2 epidemiologists, ergonomists. I think that's
3 all.

4 Q Okay. And I think we talked a little
5 bit ago, but was, my understanding, well, was
6 Mr. Toth the head of the Industrial Hygiene
7 Department when you, when you first went to
8 work there?

9 A Yes.

10 Q And who was the head of the Safety
11 Department?

12 A Guy by the name of Bud Deary
13 (phonetic).

14 Q Okay. Do you know if Mr. Deary is
15 still living?

16 A I don't know. I think he is.

17 Q And how long was he the head of the
18 Safety Department?

19 A Well, when I got there, and then he
20 retired probably 1970s, late '70s.

21 Q Who replaced him as head of the
22 Safety Department?

23 A Dale Gray.

24 Q Is it Dale, D-A-L-E?

25 A D-A-L-E, yeah.
