Mr. G. W. Mills, Jr.,
Philip Carey Company,
Lockland, Cincinnati, O.

Dear Mr. Mills:

Last week revised copies of agreements under
Toohey Patent were forwarded to you, including list of products.

This morning your suggested revision of products
came in, but too late to be incorporated in the copies executed.

I think most of your points were covered in my
revision and unless there is some substantial point of difference
would prefer to stand on the present definitions in the interest
of speed.

I will appreciate hearing from you as to whether
this is now in form which you can approve, and am enclosing a
complete copy of schedules (which I propose to issue) for your
consideration. While these schedules are fairly complete, I
would be glad to receive any suggestions you may care to make.

Yours very truly,

Donald Tulloch, Jr.
