Yes. We like that better.

Let me know what I need to provide, and if we need to prepare something.

Thank you,

Steve

Ms. Bennett,

I hope this email finds you well.

Bill Buckner, the president of the Noble Research Institute, and I will be in DC on the 20<sup>th</sup> of September. We have meetings through 3:30pm – our last meeting being at the Heritage Foundation.

We were curious if there would be an opportunity to visit with you or others at EPA about your or Administrator Pruitt's vision for this conservation/land stewardship effort that we discussed during your recent visit to Oklahoma. We could be available at 4:00PM on September 20<sup>th</sup>.

We look forward to hearing from you.

Best regards,

Steve
