Re: Tyler Hourly Employees - Group Life and A. D. & D.

Dear Wes:

We have recently completed negotiations with the Tyler, Texas Union and have made the following improvements in the insurance program for this operation:

Effective date: April 1, 1965

To be covered: Active employees as of that date. (As we have some people on layoff at this time, they will not be covered with the increased coverage until their return to work. Retired or leave of absence employees will not be increased.)

Group Life coverage: Increased \$2,000 to a total of \$4,000.

Accidental Death and
Dismemberment: \$4,000 (Prior to this date, no coverage.)

On retirement, the Group Life will be immediately reduced to \$2,000. The Accidental Death and Dismemberment will be cancelled out in full.

If there are any questions pertaining to the above, please call me.

Best regards,

Frank R. Maston
Secretary and Treasurer
