"Ethyl" TEL for Mr. E. J. Gay.

July 14, 1948

Dear Dr. Kehoe:

Attached please find a copy of a letter to me from Ray Fuller which was written at my request and in order to conform with arrangements made some time ago at a joint meeting on Safety in Detroit participated in by Dr. Sanders.

Considering Errol Gay's long association with Ethyl Corporation and his intimate knowledge of the nature of the compound as well as the potential hazard inherent in its use, we felt no hesitation in issuing permission for Mr. Gay to transport this material.

For your information, we requested Mr. Fuller to review with Mr. Gay the necessary precautions.

Cordially,

E. O. Jones
