Dear [REDACTED]

I wish to inform you that [REDACTED], President of FNC, will not be able to join the call today. Excuse us for the short notice.

Would it be possible for the Vice-president of the FNC, [REDACTED] > to join instead? He will not be intervening, just to follow the discussion.

Best regards,

Dear [REDACTED],

Thank you for getting back to me.

I would like to check if eventually the meeting could start 15 min later at 15:15 to 16:00 due to slight changes in Commissioner's agenda.

We have no problem with communication afterwards, but we would like to see all the press material before distribution/publication.

Thank you,

[REDACTED]

Hi [REDACTED]

I hope you are all well.

Meeting topic:

Due to the short time available on 9 September (15:00-15:45), we decided to only focus on one topic: hunting under the Birds Directive with a particular focus on Articles 2, 7, and 9. Given the relevance of this topic, FACE's Spanish and French Members would like to join the meeting.

In participation will be:

[REDACTED]

Please let me know whether you have any conditions on communicating after the meeting. For example, can we assume it's OK for FACE and its members (FNC and RFEC) to issue press releases?

Kind regards,

[REDACTED]

Dear [REDACTED],

Thank you for the confirmation.

I would need email addresses of all participants in order to send the invitation.

Please send us the topics your delegation would like to discuss with Commissioner ideally before summer recess.

Kind regards,

Dear [REDACTED]

On behalf of Commissioner Sinkevičius, I would like to thank you for your interest shown to organise a meeting.

Commissioner would be available and happy to meet you, however, due to a very busy agenda, he will not be able to arrange it before summer recess. We could propose a slot on 9 September 15:00-15:45 or 18 September 11:00-11:45. The video meeting would take place on WebEx platform.

Please let us know if this convenient on your side.

Kind regards,

[REDACTED]

Dear Commissioner Virginijus Sinkevičius, Cc. Daniel Calleja Crespo,

I am again following up for a meeting with FACE.

Aside from the request below (and attached), please note that we sent two other requests for meetings since you took office as Commissioner. This does not send a good signal to FACE, which is the largest democratically representative body for hunters in the world and probably one of the largest European civil society organisations, representing 7 million hunters.

Myself and the President of FACE, [REDACTED] are again requesting a meeting with you to discuss this issue (attached). We would also like to discuss the EC's approach to hunting under the Birds Directive following recent EC infringement cases.

Thank you in advance for your consideration and we look forward to talking to you soon.

Kind regards,

Dear Commissioner Virginijus Sinkevičius,

As President of the European Federation for Hunting and Conservation (FACE), I am deeply concerned by the questions being raised by national and European politicians over the European Commission's (DG Environment) handling of the proposed lead shot over wetlands restriction under the REACH regulation.

Please see attached letter where I seek a meeting with you.

Thanks in advance.
